Lunar New Year Parade and International Fair Mission

- The mission of the Lunar New Year Unity Parade is to bring our community's broad spectrum of cultures together.

- In producing this event, we encourage people from all backgrounds to work together as a team and showcase our diverse heritage in a quality program.

- The City of Cupertino will share responsibilities with its citizens for organizing, funding and managing the event.

- We encourage people of all ethnicities, ages and backgrounds to participate in this fun event and make it an annual Cupertino event.
