**Cupertino**  
**ARES/RACES**

---

For the purposes of this drill, the following locations are identified as possible deployment destinations. Each Field Responder will receive a written scenario sheet specific for their location that describes events that they see, simulated observations that they make, or information that is told to them. This input will form the basis for creating and passing message traffic to the EOC.

1. Z1: Monta Vista Ark
2. Z2: Regnart ARK
3. Z3: Garden Gate ARK
4. Z4: Lawson ARK
5. Z5: DeAnza ARK
6. Z6: Hyde ARK
7. Stevens Creek @ Cupertino Fire Station
8. Stelling Road @ Seven Springs Fire Station
