AMATEUR RADIO EMERGENCY SERVICE

REGISTRATION FORM

The Amateur Radio Emergency Service (ARES) is a voluntary organization of licensed radio amateurs who have registered their capabilities and equipment for providing emergency communications as a public service to the community. The purpose of ARES is to furnish communications in the event of natural disaster, when regular communications fail or are inadequate. Sponsored by ARRL, the ARES functions at the local level to meet local communications needs.

ARRL League membership is not required for registration. Registration does not require possession of any specially designed equipment. All amateurs can be of assistance to the ARES. There is provision in the ARES for every amateur regardless of class of license, equipment owned or personal circumstances.

Name		Call Sign		License Class	
Address			Home Phone		
City		Zip Code		Work Phone	
Email			Mobile Phone		
CA Drivers License		Year of Birth		ARRL Member?
