

# Drill Scenario

Cupertino  
ARES/RACES

For the purposes of this drill, the following locations are identified as possible deployment destinations. Each Field Responder will receive a written scenario sheet specific for their location that describes events that they see, simulated observations that they make, or information that is told to them. This input will form the basis for creating and passing message traffic to the EOC.

1. Stevens Creek @ Monta Vista ARK – package complete (3)
2. Stevens Creek @ Post Office – package complete (5)
3. Stevens Creek @ Senior Center – package complete (7)
4. Stevens Creek @ Cali Mill Plaza at DeAnza – package complete (9)
5. Stevens Creek @ Cupertino Fire Station – package complete (11)
6. Stevens Creek @ Sears Parking Lot – package complete (13)
7. Stevens Creek @ Main Street – package complete (15)
8. Stelling Road @ Seven Springs Fire Station – package complete (17)
9. Torre Avenue @ City Hall – package complete (19)
10. Bollinger @ Hyde School Parking Lot – package complete (21)
11. San Fernando Ave @ Blackberry Farm – package complete (23)
12. Stevens Creek @ Quinlan – package complete (25)
13. Vista Drive @ Lawson School ARK – package complete (27)
14. Yorkshire Drive @ Regnart School ARK –
15. Stelling Road @ De Anza ARK –

# Drill Scenario

Cupertino  
ARES/RACES

The following is provided as general information for your consideration during this drill.

Location	1. Monta Vista ARK, Stevens Creek
General Situation	<ul style="list-style-type: none"> <li>It's another cool morning. With no electric heat in many homes, there is a haze hanging over the valley from many homes using their wood burning fireplaces to stay warm.</li> <li>You checked your home phone and cell phone before you left home... no dial tone.</li> <li>You heard KCBS on the air on the drive over, and they reported that most of northern California is still in the dark, and now telephone service has been the latest casualty from this incredible blackout that has plagued the west coast.</li> <li>Radio Cupertino 1670 is on the air and letting residents know what to do if they need to request help. This is where you come in.</li> </ul>
Weather:	Weather is current conditions at the time of the drill.

The following are the things you observe on your arrival at your assignment. These are things you see and interactions that you have with the people around you.

**INSTRUCTIONS:** Write the time you arrived in the blanks below, and pass the message at the appropriate time.

Local Situation on your arrival... this is what you observe.	<ul style="list-style-type: none"> <li>The ARK is closed. You hope someone has the key to open up.</li> <li>Engine 77 and Engine 377 are both in quarters.</li> <li>As you arrive, there are two residents looking anxious and are talking to one of the firemen. You find and introduce yourself to the shift Captain Tom MacGyver and explain what you are doing. They look relieved since it has been a busy morning for them already.</li> </ul> <p>Tactical Call: <b>MONTA VISTA ARK</b>            Packet Tactical Call: <b>CUPMVA</b>            Packet Message ID: <b>MVA</b></p>
Instructions	<ul style="list-style-type: none"> <li>Set up the radio station.</li> <li>Simulate placing the "Emergency Communications Here" A-Frame sign out on the street.</li> </ul>
<b>1</b> _____ + 5 minutes	<ul style="list-style-type: none"> <li>When you are all set up, create a brief message letting the EOC know your situation.</li> </ul>
<b>2</b> _____ +20 minutes	<ul style="list-style-type: none"> <li>Someone drives up, and reports says there was a traffic collision. You start asking for details and hear this:               <ul style="list-style-type: none"> <li>SUV vs pick-up truck, Stevens Creek at Phar Lap. Unknown if injuries. Blocking the roadway. 408-158-0582.</li> </ul> </li> <li>And, the person drives off.</li> <li>Create a message and pass this traffic as a 911 report.</li> </ul>

3 _____ +35 minutes	<ul style="list-style-type: none"> <li>• Captain MacGyver hands you message #1 (below) and asks you to send it to the Cupertino EOC.</li> <li>• Create a message and pass this traffic to the EOC.</li> </ul>
4 _____ +50 minutes	<ul style="list-style-type: none"> <li>• A woman runs up all worried. She reports that her husband is buckled over probably from eating uncooked chicken. You ask for the details: <ul style="list-style-type: none"> <li>○ He is 45 years old. He has a lot of abdominal pain. They live at 976 Faralone Avenue. His name is Rich Eaton. The home phone number is 408-878-4321.</li> </ul> </li> <li>• Create a message and pass this traffic as a 911 report.</li> </ul>
5 _____ +1hr 5 min	<ul style="list-style-type: none"> <li>• A man walks up to you and says his truck just lost its real axle. His cell phone does not work. Can you call for a tow truck? You ask for details: <ul style="list-style-type: none"> <li>○ Where is it? Bollinger Road, east bound center lane, just east of Miller. It is starting to block traffic.</li> <li>○ What's my name? Carl Sikes 408-434-4339</li> </ul> </li> <li>• Create a message and pass this traffic as a 911 report.</li> </ul>
6 _____ +1hr 20 min	<ul style="list-style-type: none"> <li>• A teenager drives up and tells you 911 does not work, and asks if you can pass on information about a bicycle and car accident. You ask for the details: <ul style="list-style-type: none"> <li>○ There does not appear to be any injuries, but both parties are arguing loudly. Address is at the intersection of McClellan Rd. and S. Foothill. RP's name is Nick Knotty, 408-943-4433</li> </ul> </li> <li>• Create a message and pass this traffic as a 911 report.</li> </ul>
7 _____ +1hr 35 min	<ul style="list-style-type: none"> <li>• A man drives up and tells you that his generator is running out of fuel and he needs it for some home health support. Do you know if any gas stations are open and pumping gas?</li> <li>• Good question... Create a message and pass it to the EOC.</li> </ul>
8 _____ +1hr 50 min	<ul style="list-style-type: none"> <li>• You look across the street just in time to see a blue van screech out of the parking lot heading East on Bollinger Road. An employee comes running over, is out of breath, and says they were just robbed. You ask for the details: <ul style="list-style-type: none"> <li>○ One armed man, 5'9" ski masks over his face, blue jeans and a dark blue sweatshirt.</li> <li>○ He stole 20 bags of ice.</li> <li>○ No one was hurt.</li> <li>○ My name? He says it is John Chapman, 408 212-3265.</li> </ul> </li> <li>• Create a message and pass this traffic as a 911 report.</li> </ul>

First message

<b>Msg No.</b>	
<b>FROM:</b>	Engine 77 Captain
<b>TO:</b>	EOC Operations
<b>PRIORITY:</b>	Routine
<b>MESSAGE:</b>	Monta Vista Station will go double shift to cover the increase in the emergency call volume. Signed, Tom MacGyver, Captain

# Drill Scenario

Cupertino  
ARES/RACES

The following is provided as general information for your consideration during this drill.

Location	3. Senior Center, Stevens Creek
General Situation	<ul style="list-style-type: none"> <li>It's another cool morning. With no electric heat in many homes, there is a haze hanging over the valley from many homes using their wood burning fireplaces to stay warm.</li> <li>You checked your home phone and cell phone before you left home... no dial tone.</li> <li>You heard KCBS on the air on the drive over, and they reported that most of northern California is still in the dark, and now telephone service has been the latest casualty from this incredible blackout that has plagued the west coast.</li> <li>Radio Cupertino 1670 is on the air and letting residents know what to do if they need to request help. This is where you come in.</li> </ul>
Weather:	Weather is current conditions at the time of the drill.

The following are the things you observe on your arrival at your assignment. These are things you see and interactions that you have with the people around you.

**INSTRUCTIONS:** Write the time you arrived in the blanks below, and pass the message at the appropriate time.

Local Situation on your arrival... this is what you observe.	<ul style="list-style-type: none"> <li>There are a few cars in the parking lot when you arrive. The Senior Center was opened as a warming center.</li> <li>There is a generator mounted on a trailer off to the side and it looks like it is plugged into the building. You wonder how much gas is left in the tank.</li> <li>You go into the lobby, it is warm in here, and see that there are a few members in one of the reading areas sipping hot cocoa.</li> <li>You are greeted by Julia Davis, center manager. She says the center was open all night for seniors who found it too cold at home. She thinks today will be an even busier day for the center.</li> </ul> <p>Tactical Call: <b>SENIOR CENTER</b>            Packet Tactical Call: <b>CUPSEN</b>            Packet Message ID: <b>SEN</b></p>
Instructions	<ul style="list-style-type: none"> <li>Set up your station in the Lobby.</li> <li>Simulate placing the "Emergency Communications Here" A-Frame sign out on Stevens Creek Blvd by Mary Avenue.</li> </ul>
<b>1</b> _____ + 5 minutes	<ul style="list-style-type: none"> <li>When you are all set up, create a brief message letting the EOC know your situation.</li> </ul>
<b>2</b> _____ +20 minutes	<ul style="list-style-type: none"> <li>A center member comes in and goes up to the front desk. She reports that there is a person who looks unresponsive in their car in the parking lot. The receptionist looks at you, and you step up. You ask for the details. She repeats:               <ul style="list-style-type: none"> <li>Female, about 80 years old, is unresponsive in a locked car in the parking lot. (Do you know her name?) No, I do not know her. She can point out the car if necessary.</li> </ul> </li> <li>You ask the receptionist for the center's address... 21251 Stevens Creek Blvd.</li> <li>Create a message and pass this traffic as a 911 report.</li> </ul>

<b>3</b> _____ +35 minutes	<ul style="list-style-type: none"> <li>• One of the attendants at the Shell service station on Stevens Creek at Stelling came in to see if our phone worked. He needs the Sheriff's help. You ask for the details: <ul style="list-style-type: none"> <li>○ He reported long lines of vehicles seeking fuel. Their generator is intermittent meaning they are not always able to pump gas. Some of the drivers are becoming unruly. There have been a few small fights break out. Please send the police to help settle things. My name? It's Bobby Benton. 408-567-6521.</li> </ul> </li> <li>• Create a message and pass this traffic as a 911 report.</li> </ul>
<b>4</b> _____ +50 minutes	<ul style="list-style-type: none"> <li>• The Senior Center lights flicker and go out. Julia and a city facility guy rush out side to the generator. Two minutes later, she is back and dictates a Message (#1, see below) for you to send.</li> <li>• Create a message and pass this traffic to the EOC.</li> </ul>
<b>5</b> _____ +1hr 5 min	<ul style="list-style-type: none"> <li>• • A man walks up to you and says his truck just lost its real axle. His cell phone does not work. Can you call for a tow truck? You ask for details: <ul style="list-style-type: none"> <li>○ Where is it? Bollinger Road, east bound center lane, just east of Miller. It is starting to block traffic. My name? James Rogers, 408465-7632</li> </ul> </li> <li>• • Create a message and pass this traffic as a 911 report.</li> </ul>
<b>6</b> _____ +1hr 20 min	<ul style="list-style-type: none"> <li>• A man comes in breathing heavily. The staff rushes to get him a glass of water. He finally says his wife is having a heart attack. You ask for details. <ul style="list-style-type: none"> <li>○ She is an 82 year old female, apparently having a heart attack. When I left, the family started CPR, about 5-7 minutes ago. The address is 2253 Alves, Apt 6, cross street Park Circle East. My name? Stanley Turner. 408-456-7890</li> </ul> </li> <li>• Create a message and pass this traffic as a 911 report.</li> </ul>
<b>7</b> _____ +1hr 35 min	<ul style="list-style-type: none"> <li>• • A teenager drives up and tells you 911 does not work, and asks if you can pass on information about a bicycle and car accident. You ask for the details: <ul style="list-style-type: none"> <li>○ There does not appear to be any injuries, but both parties are arguing loudly. Address is at the intersection of Stevens Creek Blvd and Mary Ave near DeAnza College. RP's name is Nick Knotty, 408-943-4433</li> </ul> </li> <li>• • Create a message and pass this traffic as a 911 report.</li> </ul>
<b>8</b> _____ +1hr 50 min	<ul style="list-style-type: none"> <li>• • A woman drives up and tells you she can't call 911 for her husband. You say you can help and ask for the details: <ul style="list-style-type: none"> <li>○ He is 57 years old and is experiencing chest discomfort. He has a history of cardiac problems. The address is 10144 Congress Place, Cupertino. His name is Mr. Arnie Smith 408-999-6543. My name? Karen Smith</li> </ul> </li> <li>• • Create a message and pass this traffic as a 911 report.</li> </ul>

First message
