

# Winter Storm Comm Exercise

## Monta Vista ARK, PACKET OPS (#1)

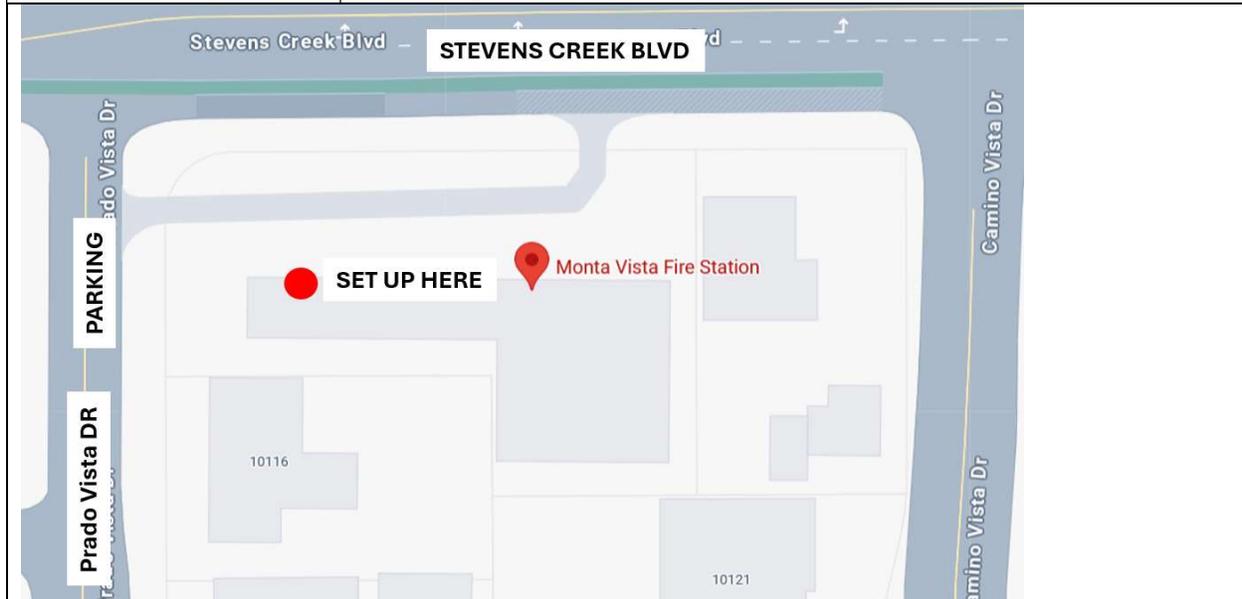

The following information is for your consideration during this drill.

Station Type:	Packet Operations
General Situation:	A major winter storm has taken out all power and commercial communications throughout the south bay. This location was selected because of the likelihood of area residents seeking help either by showing up or by FRS->GMRS for this ARK zone. If you are the first to arrive, start an ICS 211 Check-in list.

### PACKET STATION INSTRUCTIONS:

Your assignment is as follows:

Event:	Cupertino Winter Storm Comm Outage
Assignment	Monta Vista ARK (Zone 1) at Monta Vista Fire Station 22620 Stevens Creek Blvd, Cupertino, CA 95014 In the Fire Station utility garage (right side of building as you face it)
Parking:	Parking lot or on Prado Vista Ave
Access:	If you are the first one to arrive, then notify the Fire Crew on duty and set up your station. The lockbox is located on left sill of the western garage door. Contact Resource Net Control for access. The key opens the door to your left and then the interior door to the garage.
Assignment:	Packet operator to communicate with Cupertino EOC.
Operational Period:	02/21/2026 08:00 to 02/21/2026 12:00
Supervisor/Contact:	Ken Ericksen (remote)
Your Tactical Call:	<b>CUPMVA</b>
Destination Address:	CUPEOC@W1XSC.AMPR.ORG

# Message Scenario

## Monta Vista ARK, PACKET OPS (#1)

Messages will come to you either from residents who approach you or, if present, from the ARK FRS/GMRS Net. All messages are Informal Message.

1. Send **ALL** Packet messages to the Cupertino EOC **with your tactical call**.
2. Respond to all other Packet message requests as appropriate.
3. Note the Time now (HH:MM). Next to each message below, add the ## minutes to the time of the last message to identify when this one should be sent.
4. Monitor the CARES voice net.

TIME NOW: \_\_\_\_\_

SEND TIME	Message
	1. Check in by voice to the Emergency Net 2. Check in by packet and send it to CUPEOC
+10m _____	3. <b>P1:</b> A resident approaches you and looks embarrassed. She reports a BBQ grill tipped over in a backyard and briefly caught fire; flames are out but the propane tank is still attached. They are worried. Q: Address? A: 10423 Scenic Vista Drive, Cupertino Q: Any smoke or flames now? A: No flames, light smoke smell only. Q: Is the tank leaking? A: I smell a little propane vapor.
+20m _____	4. <b>P3:</b> A resident rides up on his bicycle and tells you that a large tree fell and is blocking both lanes of his residential street. Q: Address? A: 18900 Redleaf Court, Cupertino, but the downed tree is on the corner of Redleaf Court and Bubb Road Any injuries? No, just blocked traffic.
+20m _____	5. <b>P8:</b> A car stops in front of you and the driver jumps out with panic in his voice. He says the creek behind his house is rising and floodwater is starting to enter garages all along his street. Q: Address? A: 9801 Creekside Lane, Cupertino Q: Any trapped residents? A: No, but water is rising. Should we evacuate?
+20m _____	6. <b>P13:</b> Another car stops and the driver reported that a traffic signal is out at Stevens Creek Blvd and Rt 85. Q: Location? A: "Well, I just told you" Any accidents yet? Near misses only.
+20m _____	7. <b>P19:</b> A woman with a baby in arms come up and reports that a sinkhole is forming near the playground she was just at. Q: Address? A: Oak Leaf Park, 10200 Stern Ave, Cupertino Q: Anyone injured? A: No.
11:15	8. Notify Net Control you are shutting down. Stay on the net and return to Staging.
